

Memo

**To:** Interested Parties

**From:** John Bassett, Housing Trust Fund Director

**Subject:** 2009 – 2010 ESG and HOPWA Awards

**Date:** July 7, 2009

The purpose of this memo is to update you on this year's awards under the Emergency Shelter Grant (ESG) and Housing Opportunity for Persons With AIDS (HOPWA) Programs. The broad purpose of these programs is to deliver supported housing and related services to persons strictly defined as either: (1) "homeless" according to the Federal ESG program; or as (2) "eligible persons" (lower income persons with HIV/AIDS) as defined for the HOPWA program.

This year, DCA received 198 applications requesting \$11.7 million dollars. With available funds, awards were made to 159 agencies totaling \$5.9 million dollars. Of the more than \$4 million dollar amount awarded for ESG, about \$2 million of those funds represent state funds available through the State Housing Trust Fund for the Homeless. The balance of the amount awarded is from ESG appropriations to the State by U. S. Department of Housing and Urban Development. All HOPWA awards are made utilizing HOPWA funds also received from HUD.
